

Descriptive Writing!

Pick one of your favorite spots outside and sit for a moment. Consider each of your senses and write what you observe using descriptive words.

What do you see? (Weather, plants, colors, shapes, etc).

What do you hear? (Animal noises, wind rustling the trees, water trickling, etc)

Descriptive Writing 2

Pick one of your favorite spots outside and sit for a moment. Consider each of your senses and write what you observe using descriptive words.

What do you feel, and how does it feel? (Warm sun, wind, rain drops on your skin, grass or dirt beneath your feet, rough bark under your hands)

What do you smell? (Flowers or fragrant trees like pine, rotting leaves, wet earth after a rain)
